

HUMAN ISLET TRANSPLANT LABORATORY

17th Annual “Celebration of Life” Dinner-Dance

The MUHC Organ Transplant Patients’ Committee invites you to their Celebration of Life fundraiser to benefit the Royal Victoria Hospital Foundation’s Organ Transplant Fund. Every year, more than 150 lifesaving transplants are performed at the Royal Victoria Hospital – making our hospital the largest multi-organ transplant centre in Quebec. Money raised at this event will go towards purchasing and upgrading critical equipment for the Transplant Department, as well as education and training for the nursing team.

Tickets: \$125 per person, \$50 per child (3-10 years)

For more information and to purchase tickets, please contact:

Rosa Shields: 514 943-0170

Erika Sainos: 514 843-1543
